Ok, so the files is protected by a survey. Yeah, that sucks but we can't provide our hacks on mediafire because once the hack becomes public, it will be analyzed and in 2-3 days it will become unusable. So, you just have to complete a simple survey and your download will start automatically. Some countries have easier survey, some have harder ones but the most of them are free.

1. Pick a survey (scroll over to see what you have to do in order to complete).
2. Complete the survey with the details asked then submit.
3. Wait 5-10 seconds. The download will start automatically.
4. Enjoy , good luck and have fun!
